The residential deposit requirement is two (2) times the average monthly bill. Non-owner occupied, residential deposits cannot be waived and will be held on the account until the account is closed. If owner occupied, the deposit may be returned upon written request after two years of excellent payment history. The owner deposit may be waived with a letter of good credit history for the prior twenty-four (24) months from another utility company. A credit check will be conducted on all new customers. A service charge of \$57.00 will apply for new customers; a \$34.00 service charge will apply to service transfers; fees are due upon application of service.

If you have further questions, please contact us at [customerservice@ocalafl.gov](mailto:customerservice@ocalafl.gov) or call 352-629-2489.

Sincerely,

City of Ocala Municipal Services Customer Service

The Utility Services Department of the City of Ocala is requesting disclosure of your social security number. Such disclosure is (check one)  MANDATORY (pursuant to Section 119.071; and/or necessary for the performance of the department's prescribed duties and responsibilities; or  VOLUNTARY.

Collection of your social security number is for the following purpose(s), (check all that apply):

Classification of accounts

Identification and Verification

Credit and Worthiness

Billing and Payment

Data Collection

Reconciliation, Tracking, Benefit Processing; and Social Security Numbers are also used as unique identifiers and may be used for search purposes.

## REQUESTING NEW SERVICE OR RECONNECT?

- 1.) Address numbers must be clearly posted on structure.
  - Numbers should be clearly visible from roadway and of a contrasting color to the structure on which they are affixed.
  - If the structure is over 50 ft. from roadway, additional numbers may be needed near entrance or driveway.
  
- 2.) For electric service - the applicant must ensure all electric load associated with the electric service location is disconnected before the electric service can be connected.
  - The main breaker or disconnect must be opened or turned off. OEU is not responsible for opening or operating the applicant's breakers or disconnects prior to or following a service connection.
  - The applicant is responsible for all breakers and disconnects associated with the service connection.
  
- 3.) For water service – faucets and spigots must be off.
  - All interior faucets off, and water lines secured.
  - All exterior spigots off, and piping secured.
  
- 4.) Clear access to meter equipment must be provided.

Missing address numbers, heavy electric load, and running water may unnecessarily delay the connection of your requested service. If these conditions are not met and a second trip is necessary, your presence will be required on site for connection of service.

OEU is not responsible for bodily injury or property damage resulting from the requested initialization, transfer, or termination of services by the application; this includes termination of services for non-payment, or initiation service after an account is brought current.
